

Statement on ARNBC EGM

NEW WESTMINSTER--The Association of Registered Nurses of BC (ARNBC), thanks all registered nurses, nurse practitioners and special guests who attended our December 13, 2016 Extraordinary General Meeting. The purpose of the meeting was to review and vote on changes to the ARNBC Bylaws.

As a result of this meeting, additional changes need to be made to the proposed Bylaws. We look forward to incorporating the feedback and suggestions of members.
